EXPERIENCE

ItnSoft

2012-2015 Front End Developer, UI / UX

ItnSoft was my first experience as **Front end developer** where I needed to design and program web design for all the clients at the company.

Concentrix, Santo Domingo, IT Senior Technician

2015-2018 IT Technician

I was **IT Senior Technician** at Concentrix Galeria 360 for a period for a period of 3.6 years, where me and my team needed to support several projects at the company, from setting up projects, updating policies and making the site more secure.

Convengys, Santo Domingo, Tech Support

2014-2015 Tech Support

I was a tech support representative for several projects at concentrix like Verizon, Comcast and others.
